

## **COUNCIL TAX**

Council Tax is a necessary requirement for all households in Mid Suffolk to pay

We produce a Council Tax booklet, which includes information from Suffolk County Council, Suffolk Constabulary and ourselves.

This booklet explains how we have calculated the cost of Council Tax in the district, as well as information about where the Council Tax goes.

It also explains how Mid Suffolk, County Council and Suffolk Police Authority have spent their share of the Council Tax as well as documenting their achievements.

Copies of the booklet are available by contacting:
